"Shenanigans in Libestal"

IRyS

You hear that?

A dark wind blows. The setting sun is red – BLOOD red.

And the rolling mist beyond the walls is... Mauve? Violet? What's the word I'm looking for?

Purple! That's it! Yes, purple, like a fresh bruise. Or an eggplant.

I fear the twilight of Libestal is at hand, my friend.

I hope you've kept your sword sharp. We're gonna need all the edge we can get tonight.

You're right. So long as we believe in our own colors, we shall survive the night.

The sun will rise on the Hot Pink One and Libestal's own Jade Swords.

The morning shall meet us standing,
unstained, victorious, looking cool as hell.

However, if I do happen to fall in battle...

Actually, I wouldn't worry about it.

I'm pretty much the main character around here. Listen to this.

That's the sound of plot armor.

There ain't no arrow, sword, or spear getting through THIS drip.

I will NEVER die! Not now. Not ever. Right?

Glad to hear you agree.

If you believe I'm invincible, and I believe I'm invincible, then I must be invincible.

There's no way two people can be wrong.

I mean, that's just logic. Right?

Right.

Okay, let's go down and meet the soldiers behind the front gate.

It's time to rally the troops.

Okay. I'll give a speech; you hype them up.

How? I dunno.

Maybe just jump around and say stuff like, 'Heck ya!' and 'Hot damn!'.

Sound good? Okay. Here I go.

Good soldiers of Libestal! Long has this day loomed over our fair city.

The Stains, like fetid waters swelling behind a dam,

have finally burst forth from the purple miasma wherein they were spawned.

Their numbers are great. Their appetite for destruction is insatiable.
Give them a chance, and they will eat you alive!

But fear not!
For I offer you the greatest weapon of all: Hope!
Which is the name of my new sword.

Pretty cool, huh?
I mean, I'm more of a magic-user.
I actually bought this sword just yesterday.
I have no idea how to use it, but it goes great with my outfit.
And that's what really matters, right?

And yet! As stylish as I am, I cannot defend Libestal alone.
They say it takes a village to raise a child.
I say it takes an army to defend a castle.
Okay, that didn't sound as profound out loud as it did in my head, but... It's true!

Ugh. What I'm trying to say is this city will fall unless we stand together!
Neither wind nor waves nor flames shall move us!
'Cuz this is OUR home! This... Is... LIBESTAL!

To the walls!

Heh. I still got it.
Hey, there you are! Thanks for hyping them up.
You're the lightning, I'm the thunder.
Together, we shall take this world by STORM!
Haha-HAH!

You know what? Maybe we should save the back-patting for after the battle.
Huh? I think I hear something.
It sounds like... Hm.
Lemme just open the gate and take a peek outside real quick.

OH NO! WHY DID I DO THAT!?
Wait, maybe nobody saw.
H-HEY! WHO LEFT THE GATE OPEN!?
Hmph. No matter.

Ahem. Listen up, Stains!
First of all, congratulations. You've successfully breached the walls...
AND WALKED DIRECTLY INTO MY TRAP! GA-HAHAHA!

Heh. Made quick work of that one. Did you see?
Did you see them CRUMBLE under the RAW MIGHT of my magic?
Here. Watch. Watch. I'll do it again.

POOF! Hahaha! Were you watching?
I made that one disappear! How's that for a magic trick? Haha!

Hm? There are too many, you say? Heh. I'd say there aren't enough.
Don't you know who I am? I'm the HOT PINK ONE!
My gear is EPIC! My level is MAX!
I'm LOCKED IN and my ULTIMATE just came off cooldown.
I've got the power of light AND darkness raging inside me,
and I'm about to let it ALL out!
Hrrrrgh... REVELATION!

There. All gone. No more Stains.
I'm sure you could have held your own, but... You know I had to do it to 'em.
Thanks for fighting by my side, friend. Same time tomorrow?
